Nurse Consultants

U. S. Department of Health and Human Services
Health Resources and Services Administration
Bureau of Health Professions
Division of Nursing

Advanced Nursing Education

Invites projects that integrate:

- Multiple Chronic Conditions (MCC) and
- Interprofessional Education (IPE) in an Advanced Education Nursing program

ANE Projects should

- Address the health care needs of persons with multiple chronic conditions (MCC)
- Engage other graduate health professionals
- Demonstrate the integration of IPE into the nursing clinical and didactic curriculum
- Provide graduate nursing students with requisite knowledge of interprofessional learning

Multiple Chronic Conditions (MCC)

- MCC is defined as two or more concurrent chronic conditions.
- Chronic conditions - conditions that last a year or more and require ongoing medical attention and/or limit activities of daily living

Interprofessional Education

IPE means students from two or more health care professions learning with, from and about each other to enhance collaboration in a shared learning environment

Ex: Primary Care Nurse Practitioner Students, Medical Students, and Pharmacy Students

Advanced Education Nurses

- Nurse Practitioners
- Midwives
- Nurse Anesthetists
- Clinical Nurse Specialists
- Nurse Educators
- Nurse Administrators
- Public Health Nurses
- Other Nurse Specialties

Eligibility

- Accredited schools of nursing;
- Academic health centers; and
- Other public or private entities capable of carrying out the legislative purpose

CCR transition to SAM

- Central Contractor Registration (CCR) has transitioned to System for Award Management (SAM) effective July 30, 2012
- Active SAM registration is a pre-requisite to the successful submission of grant applications!
- SAM Quick Guide for Grantees (https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf

HRSA's Electronic Submission User Guide

- Includes detailed application and submission instructions
- Sections 2 and 5 provide information on the competitive application and submission process.
- http://www.hrsa.gov/grants/apply/userguide.pdf

Type of Applications

- One application per campus/university
- NOTE: A campus is defined as a division of a university that has its own grounds, buildings (e.g., school of nursing) and faculty.

Program Accreditation

All nursing and professional programs that are associated with the project and conferring degrees must be accredited for the purpose of nursing and other professional education.

Newly Established Graduate Program – not accredited

- Must provide documentation from the Department of Education indicating reasonable assurance the program will meet the accreditation standards of National League for Nursing Accrediting Commission (NLNAC) or Commission on Collegiate Nursing Education (CCNE) prior to the beginning of the academic year following the normal graduation date of students of the first entering class.

Summary of Funding

- 3 year Project Period – 2013 to 2016
- Amount: Cap of $375,000/year (includes direct and indirect costs)

Project Staff Qualifications

- Project Director : RN, Doctorate in Nursing (preferred); submits application & executes project.
- Program Director : (Recommend) Nationally certified in nursing specialty.

  Has clinical expertise and experience as an educator.
- Lead Faculty is: (Recommend) Nationally certified in proposed nursing specialty.

  Has clinical expertise and experience as an educator.

Use of Funds

- Faculty salaries
- Consultants for the proposed program
- Equipment and supplies
- Faculty development related to the proposed project

Funding Restriction

Funds may **not** be used for:

- Student support;
- Subsidies or paid release time for project trainees or participants;
- Accreditation, credentialing, continuing education;
- Promotional items and memorabilia;
- Food and drinks.

See page 30 of FOA for complete listing

Funding Restrictions

- Only one Project Director
- No more than $200,000 can be used to purchase equipment over the 3 year project period
- Salary can not exceed $179,700

Salary Limitation example

Individual's *actual* base full time salary: $350,000 50% of time will be devoted to project	
Direct salary	$175,000
Fringe (25% of salary)	$43,750
Total	$218,750
Amount that may be claimed on the application budget due to the legislative salary limitation: Individual's base full time salary *adjusted* to Executive Level II: $179,700 50% of time will be devoted to the project	
Direct salary	**$89,850**
Fringe (25% of salary)	**$22,462.50**
Total amount	**$112,312.50**

Funding Preference

- Definition: funding of a specific category of approved applications ahead of other categories of approved applications.

- Applicants receiving the preference will be considered ahead of others without the preference.

Funding Preferences

1) Substantially benefit rural populations;

or

2) Substantially benefit underserved populations;

or

3) Help meet public health nursing needs in state or local health departments.

Funding Preference

- Must describe how the projected curriculum meets the requested preference

Project Narrative

Objectives should be specific, measurable, time-framed

- Answer: "who, what, when, where, how and why."

Required Documents

- Project Abstract
- Project Narrative
- Budget
- Budget Justification
- Equipment (if applicable)
- Accreditation Documentation
- Biosketches
- Position Descriptions
- Letters of Support
- Maintenance of Effort Documentation
- Institution Diversity Statement

ANE Tables

Please complete all ANE tables that are included in the appendix of this FOA.

Appendix A – Project Synopsis

Appendix B – ANE Program Data

Appendix C – Curriculum

Appendix D – Accreditation and Preference Data
