

AHEC Veterans Mental Health Project

PARTICIPANT REGISTRATION FORM

The participant registration form is provided as a Word document in the toolkit section “Required Registration/Evaluation/Reporting Materials.” This form captures all the required participant information that must be reported to A-TrACC for this project. It can be revised and adapted to be incorporated with a standard registration form used by your AHEC and/or your partners. For issues or questions, contact A-TrACC at info@atracc.org.
